THE MODEL 12 STAR WINDMILL 2 PISTONS 2 GEARS 2

with "NO-OIL-EM" Bearings

removes the one and only objection to the use of a windmill on a tower—which until now has been the task of frequent oiling—NOW with the development of "NO-OIL-EM" Bearings all that is necessary is to annually inspect and oil Star Windmills.

"Wind force costs nil
Use a Star Windmill"

"NO-OIL-EM" Bearings remove one of the difficulties of the man who can climb as well as the man who cannot. It is no longer necessary to erect the windmill near the dwelling in order to pull it out of gear during heavy storms and frequent oilings. For the Star is self-lubricating and can be equipped with our Hooder Regulator, which will leave the mill in gear when the water in the tank becomes low and then pull it out of gear when the supply has been replenished. And now, "to top it all off," the "NO-OIL-EM" Bearings, which make it unnecessary to oil the mill more than once a year.

Other features of this windmill which we wish to call to your attention, are the two pistons, two gears, two pistons, and two wind-pistons, a massive one-piece main frame, shock absorber, automatic governor, a CALVANTIZED-STEEL-PISTON-WHEEL, and many other.

Exclusive Features found only on the Model 12 Star Windmill

JACOB KRAUSS.

Jacob Krauss was born on November 16, 1842, in Wayne County, Ohio. Soon thereafter he was received by Holy Baptism into the kingdom of God. As an infant he came to Fulton county. Here he attended school and received his education.

After this instruction he renewed his baptismal vows in confirmation in the old St. Jacob's Lutheran church in German township.

November 27, 1866, Mr. Krauss was united in marriage to Christine Stieritz. God blessed their union with ten children two of whom have preceded their father into eternity.

For many years Mr. Krauss served as an officer of the German township Lutheran church. He for many years operated the Pettisville store and during these years he also was Postmaster of the Village of Pettisville.

For several terms he served as assessor both in German and Clinton townships.

About four years ago a paralytic stroke put a stop to Mr. Krauss's activities. Since then he fast became an old man and yearned for the time when he might depart this vale of tears, and by his faith in Christ be united with God and his Savior in Heaven.

His wish was fulfilled on Friday at 1:30 a. m. Wednesday noon he suffered a second stroke which left him unconscious. He passed away early Friday without again having regained consciousness.

He is mourned by his widow, eight children nine grandchildren, two brothers, three sisters, many relatives and friends. The funeral services were

Difficulty at Scranton

Mrs. H. B. S., of Scranton, Pennsylvania, was in a bad condition. She could scarcely eat, and couldn't digest what she did eat. Her weight dropped to 97 pounds and she was generally very nervous and generally run down.

She found in HEMO a strengthening and satisfying nourishment that gave her the strength she could not get from ordinary food.

In two months she weighed 112 and looked healthy and was healthy and still is gaining weight.

Makes a delicious food drink by simply adding water.
